CONTINUING GUARANTEE

Continuing Guarantee. In consideration of the extension of credit to Applicant, and to induce the extension of credit, I, the undersigned, give my continuing guarantee of any and all indebtedness of Applicant to Van De Pol Enterprises, Inc. If there are other guarantors, the obligations of the guarantors are joint and several and independent of the obligations of Applicant.

Separate Action Against Me. A separate action may be brought and prosecuted against me whether or not brought against Applicant or whether Applicant is joined in that action.

Waiver and Tolling of Statute of Limitations. I waive, or to the fullest extent permitted by law, the benefit of any statute of limitations, affecting the liability under this guarantee or the enforcement of this guarantee. Any payment by Applicant or other circumstance which operates to toll any statute of limitations as to Applicant shall operate to toll the statute of limitations as to me.

Waiver of Notice. I waive all presentments, demands for performance, notices of protest, notices of dishonor, notices of acceptances of this guarantee, notice of any changes or modification of the Credit Agreement, and notices of the existence, creation or incurring of new or additional indebtedness, except any notice or demand that is required by statute and cannot be waived.

Waiver of Defenses. I waive any rights of subrogation, reimbursement, indemnification, and contribution and any other rights and defenses that are or may become available to the guarantor or other surety by reason of Sections 2787 to 2855, inclusive, of the Civil Code, and any rights or defenses I may have in respect of my obligations as a guarantor by reason of any election of remedies by the Van De Pol Enterprises, Inc. I also waive any defense based on or arising out of any defense of Applicant other than payment in full of the indebtedness, including, without limitation, any defense based on or arising out of the disability of Applicant, the unenforceability of indebtedness or any part of it from any cause, or the cessation from any cause of the liability of Applicant, other than payment in full of any indebtedness.

Authority of Agents Need Not Be Investigated. It is not necessary for Van De Pol Enterprises, Inc. to inquire into the capacity or powers of Applicant or the officers, directors, partners, or agents acting or purporting to act on Applicant's behalf, and any indebtedness made or created in reliance on the professed exercise of those powers shall be guaranteed under this guarantee.

Successor Partnerships. If Applicant is partnership, the work "Applicant" and "indebtedness" shall be used in this guarantee to include all successor partnerships and their liabilities to Applicant.

Subordination. Any indebtedness of Applicant now or in the future held by me is hereby subordinated to the indebtedness of Applicant to Van De Pol Enterprises, Inc.

Release of Indemnity Rights. I hereby release and renounce all rights of indemnity I may have against Applicant arising from or created as a result of the enforcement of this Continuing Guarantee.

Information Concerning Applicant. I assume all responsibility for keeping myself informed of Applicant's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the indebtedness and nature, scope and extent of the risk I assume and incur under this guarantee, and agree that Van De Pol Enterprises, Inc. shall have no duty to advise me of any known information known to it regarding those circumstances or risks.

No Waiver by Van De Pol Enterprises, Inc. The right or power of Van De Pol Enterprises, Inc. under this guarantee shall not be deemed to have been waived by any act or conduct on the part of Van De Pol Enterprises, Inc. or by any neglect to exercise that right or power, or by any delay in doing so; and every right or power shall continue in full force and effect until specifically waived or released by an instrument in writing executed by Van De Pol Enterprises, Inc.
